NEW CASCADE CLIMBER

BURNS MORE CALORIES

The new Cascade Climber offers an exceptional time efficient, low impact workout. Great for high intensity cardio training, the Cascade Climber is also effective for injury rehabilitation – as there is no stress or pounding on the joints. Climbing against gravity also burns more calories than any other exercise. Smooth and easy to use, users climb at their own pace with an upper body movement that creates total body exercise.

KEY PRODUCT FEATURES

Comfortable Handles

Quick release handles with 3 hand positions to choose from.

Easy to Read Console

Easy to read console with 6 program options displays time, steps, step height, cadence, calories, heart rate, steps/min, level, and distance. Bluetooth built-in.
